### S & A PRECISION BINOCULARS

S & A DE LUXE OCEANIC

 $(7 \times 50)$ 

Large Achromatic Oculars
Featherweight

The new S & A Oceanic is the refined result of many years of research work in quality optics and precision workmanship. Yacht owners, sea captains, fire wardens, summer residents will find the new S & A Oceanic 7 x 50 unequalled for its clear and sharp definition, great field and its power to spot objects on dark days, late evening and early morning. Complete with a heavy tan leather case. For retail prices see back page.

### S & A DIANA (De Luxe)

8 x 30 Featherweight

(Wide Angle—Large Oculars)

The new S & A Featherweight Achromatic Diana 8 x 30 is the latest development in wide angle lens and precision optics. A real prismatic binocular for general use. Complete with tan leather case. For retail prices see back page.

### S & A PLANET (De Luxe)

10 x 40 Featherweight

(Large Oculars)

A new precision binocular for those who require more power in viewing stars or picking up objects at a great distance. Complete with tan leather sports case. For retail prices see back page.

### S & A NIGHTHAWK

(Achromatic Oculars)
7 Power—24 m.m. objectives

Pocket size—a little gem. A truly Precision instrument. Small and compact, weight only 11 oz. For the traveler, naturalist and bird lover. With universal focal range for near or distant objects. With leather sports case. For retail prices see back page.

### S & A ASTOR

8 x 30 De Luxe

Featherweight (Large Achromatic Oculars)

### S & A NEWPORT

6 x 30 De Luxe Featherweight

(Large Achromatic Oculars)
Wide Angle

For the traveler and sportsman. Weight only 12 oz. The new S & A Astor De Luxe 8x30 Featherweight and the 6x30 Featherweight Newport are the smallest, lightest and most compact binoculars obtainable. The new S & A  $8\times30$ Featherweight Astor meets the demand of small game hunters requiring power for long distance range. For spotting mountain goat, coyotes and other objects at a great distance. The new De Luxe S & A Astor is truly a universal glass for all uses. For retail prices see back page. The new Featherweight S & A De Luxe Newport 6 x 30. With its large field of view and great light is particularly adapted to the naturalist and big game hunter. To the hunter  $\alpha$ good glass is as important as his rifle. The new Newport is also adapted for viewing moving objects, horse racing, boat racing, and indoor sports. For ocean travel there is no equal. For retail prices see back page.

### AURORE, DUPONT

(Large Oculars)

Power 8 x 25 and 8 x 30

The new 8 x 25 and 8 x 30 Aurore Dupont both with large oculars is the last word in popular priced binoculars. Wide angle, sharp definition, quick focusing, compact and durable. Beautifully finished with grain Morocco leather. With a tan leather sports case. For retail prices see back page.

### S & A DE LUXE PRISMATIC BINOCULARS

### Superior Quality

## S & A Prismatic Binoculars and Achromatic Field Glasses Are Covered With Genuine Morocco Leather

### S & A AIRPORT (De Luxe)

(Large Achromatic Oculars)

### 12 Power 32 m.m. objectives

The new S & A De Luxe Airport although 12 power is smaller and unlike the old large, ungainly type as commonly found in other high power glasses. Truly a great improvement in high power binoculars. The Airport is now a universal glass especially suitable for long and short range observations. The new design and superior quality commands immediate attention. Furnished with a durable high-grade leather case. For retail prices see back page.

### S & A NAVIGATOR (De Luxe)

(Large Achromatic Oculars)

10 Power 32 m.m. objectives

The new S & A De Luxe Navigator 10 power is in every way the same in fine precision optical qualities, design and finish as the new Airport. Slightly smaller, new compact size. A real innovation in binoculars of this power. Adapted to all uses. Furnished with a durable high-grade leather case. For retail prices see back page.

### S & A REGATTA (De Luxe)

(Large Achromatic Oculars)

### 7 Power 35 m.m. objectives

The new 7 power S & A De Luxe Regatta is another forward step in new design and specifications originated by S & A. This new glass was developed to fill a demand for those who desire a glass of great light, power and fine optics, required by yachtsmen, sea captains, game wardens and navy men who are exacting in their requirements for their specific use. The same high standards of skilled workmanship and fine optics that are characteristic only in S & A products. These features are easily apparent to the most inexperienced person. Complete with durable leather case. For retail prices see back page.

### S & A PRODUCTS CARRY AN UNLIMITED GUARANTEE

### S & A ASCOT (De Luxe)

(Large Achromatic Oculars)

8 Power 33 m.m. objectives

The new S & A De Luxe Ascot 8 power with large objectives is a beautiful new binocular, compact bull dog model, with wide angle lens of S & A standard high quality optics. This remarkable new glass attracted immediate attention and most favorable response throughout the country. With a fine tan leather sport case curved to fit the body. For retail prices see back page.

### S & A GRAND PRIX (De Luxe)

(Large Achromatic Oculars)

8 x 30 and 6 x 30

The S & A De Luxe Super-Grand Prix 8 or 6 power needs no introduction. It is well known and recognized by leading high-grade dealers for its remarkable value and precision qualities in optics, finish and workmanship. Always improving, never cheapening. Our continuous strides in this direction are easily observed by both dealer and consumer. The Super-Grand Prix is one of the most popular tan saddle leather sport case, curved to fit the body. For retail prices see back page.

### S & A TROUVILLE (De Luxe)

(Large Achromatic Oculars)

8 Power 26 m.m. objectives

The S & A De Luxe Trouville 8 power is of the same fine quality as the Grand Prix, Ascot, Regatta, Navigator and Airport. A small compact binocular with wide angle lens, great light power and fine definition. A marvelous traveler's glass adapted for all uses. Complete with a tan saddle leather sport case, curved to fit the body. For retail prices see back page.

## S & A Field Glasses and Binoculars are nationally advertised and nationally known for fine workmanship and precision quality.

S & A COACH DE LUXE (4x43)

(With interpupillary break)

(Achromatic)

### S & A DE LUXE MARINE

(Achromatic)

4½ Power 47 m.m. objectives with

sun-shades

The new S & A De Luxe Marine is the last

word in fine optics and beautiful workman-

ship. Adapted to long and short range spot-

ting, horse racing, ships at sea, airplanes, and

indoor sports. Truly a universal glass. With

a fine leather case. For retail prices see back

S & A DE LUXE COLLEGIATE
(Achromatic)

Featherweight

The S & A De Luxe Coach is exactly the same in every detail as the Senior De Luxe, the only difference being in the hinge cross-bar. This additional feature will enable the user to adjust both ocular lenses to the correct interpupillary distance between the optical center of the eyes. With grain leather sports case. For retail prices see back page.

### S & A NAVY DE LUXE

(Achromatic)

Featherweight

The S & A De Luxe Collegiate is in its entirety an S & A creation in design and precision optics. Weight only 11 ounces—height 3¾"—3½-power, 38 m.m. objective. Deep curved achromatic wide lenses. Large 17 m.m. oculars. Solid frame, barrels covered with black grain Morocco leather. Complete with grain leather sports case. For retail prices see back page.

### S & A PATHFINDER

(Achromatic)

3 Power, great light, wide field and a clear definition. For nature study, horse racing, indoor sports and night use. With black leather sports case. For retail prices see back page.

The S & A Navy De Luxe is a new glass recently designed to meet the exacting requirements of navy officers who require a glass of the finest optical qualities, of not more than 4-power. 47 m.m. objectives, telescoping sun-shades, barrels covered with real pig-skin.
